

# COLN VALLEY VILLAGE HALL

## Newsletter | Summer 2017

### End of Financial Year

The 30th June 2017 marked the end of the Hall's second full Financial Year in operation.

The Final Accounts will be prepared prior to the next AGM (due in the Autumn - look out for a further notice about this) but the key news is that annual running costs have again been met by income from Hires and from Valley Events taking place at the Hall.

### Quiz Night

The evening of Friday 21st April saw the Hall full to capacity again for the second Quiz Night to be held there.

Teams pitted their wits against a host of tricky questions, although in some instances excess alcohol might have clouded the minds!

A massive thank you again to Jo, Anthony and Di for organising a superb evening - yet again it was oversubscribed.

A very healthy £400 was raised which makes this event a fantastic contributor to the Hall's income, whilst also being a wonderful social event for the Valley, which after all is one of the main reasons for which the Hall exists.

### Summer BBQ Grenfell Tower donation

The hottest day of the year so far on Saturday 17th June saw perfect conditions for the Hog Roast at the Hall, for which close to 80 tickets were sold. A big thank you goes to those who bought tickets and attended the event - events such as these are a great way to meet new faces from the Valley.

Normally any surplus from events such as this goes towards meeting the Hall's running costs; in this instance however the Financial Year-end was close and the costs already met, so it was decided to donate the surplus (just under £200) to a Grenfell Tower Fund - that disaster happened only a few days before the event.

### "All creatures great and small..."

Sunday 7th May saw fine conditions for the outside Animal Blessing Service. This well-attended event saw animals of all shapes and sizes participate.

Thank you to all who attended, and to Revd Stephen for officiating.
