Open Meeting
At 7.00pm
on
Wednesday 20th September 2017
in
The Coln Valley Village Hall**

Present:

Councillors: Nick Talbot-Rice, Nick Dummett

In Attendance: Libby Oakley

Residents: Chrissy Mitchell

MINUTES OF THE MEETING

Apologies had been received from Graeme Matthews, Philip Allen and Malcolm Carmichael.

1. Minutes of the meeting held on 23rd May 2017 were approved and signed.

2. Matters arising:

4.1 Gigaclear. Nick Dummett received 20 responses 45% had no problems and 100% happy with service. Any mess mostly cleared and pots replaced when required in most cases. Gigaclear happy to come and sort out any problems.

5.1 Douglas Petersen submitted a document highlighting signs that need replacing around the parish. Restricted byway x 2 and Public path x 2. He confirmed that he is happy to erect them.

Action LO

6.1 Potlickers road sign was agreed by the councillors. Sophie Ryder submitted a photograph of the design and style. There were a few concerns that the sign may be stolen and sharp edges.

7.1 Insurance. This was agreed and actioned.

3. Planning Applications

Nothing of note

4. AOB

NTR read out email received from Nigel Barthorp regarding overgrown trees and shrubs over local lanes and bridleways and the absence of 'dog gates'. ND agreed to take a look at the trees around the graveyard which require a radical cut. NTR normally clears anything on his land. On the whole landowners are fairly responsible and clear up mess when needed.

Point noted regarding 'dog gates' however all styles are passable and are needed to stop sheep escaping.

There being no further business Nick Talbot-Rice declared the meeting closed at 7.30pm
