Litter Pick & Hall Working Party

There is a Valley Litter Pick taking place from the Hall on **Saturday 23rd March 2019** from 9.00am-12.00pm - do come along and help clean up our beautiful Valley. Further information is on the Hall's website and will be circulated nearer the time.

Rather as we did in previous years we will run a Working Party at the Hall at the same time as the Litter Pick, where general items of maintenance, gardening and cleaning are undertaken around the Hall - please let Matthew know if you are interested in helping out.

Previous years saw coffee and cake "on tap" providing sustenance for everyone there!

There is a booking calendar online where you can see what the Hall is booked for into the future. Hovering your cursor over an event on the calendar will bring up more information about that event, and we are endeavouring to put as much useful information into each event entry as we can, so that residents can see what is going on at the Hall.

Late 2018 events review

October's **Quiz Night** sold out well in advance and was as usual a brilliant evening. Many thanks to Jo, Anthony and Di for organising this.

November's **Thankful Village Centenary Commemoration** was very well attended, and benefitted from a fascinating talk and wall display prepared by Jacky.

Martin Spooner of Chedworth gave a very useful **IT talk** in late November which provided lots of food for thought.

Early December's **Christmas Party** was a very convivial affair at which around £150 was raised towards the Hall's running costs.

What can you do?

The 2010 Valley Survey identified a number of uses which Valley residents wanted to see in a new Hall e.g. book & film clubs, children's groups, classes, etc.

If you would like to arrange (or just help with) these or similar events at the Hall then please contact Matthew using the details below.

REMEMBER, the more the Hall is used by the Valley, the less likely there will need to be income from outside the Valley.

How else can you contact us?
