COLN VALLEY VILLAGE HALL

Harvest supper

The Harvest Festival supper took place on October 6th, attended by 40 people from the Valley and wider. The event raised £244 for the local Food Bank. The picture below shows how well it all fitted in.

The 2019 Annual General Meeting

The meeting decided to make a contribution to enhancing the Common at Calcot. The Meeting also heard that the surplus of income over expenditure for 2018/19 was a total of £2,265. This was from a total of 175 events (about one event every 2 days!). The Hall continues to be a key local resource.

An evening of computer advice

November 8th saw a presentation by Martin Spooner from DigiWolds in Chedworth on the need to maintain safe use of computers and phones. Really good advice was available.

A 'Macmillan' afternoon tea

This is planned for Saturday 7th December 2pm to 4pm. Please come for a cup of tea and cakes, to help finance this wonderful cancer support charity!

HOW TO BOOK THE HALL

To book the Hall, see the web site, below. Here you can:

1. Inspect the booking calendar to see the available dates.
2. See the scale of charges.
3. Make an application with information on the event that is proposed and other details.

It's very easy! And you will likely get a quick response.
