COLN VALLEY VILLAGE HALL

Wild flowers at the Hall

We have discovered that wild flowers prosper in the grounds of the Hall if the mowing is restricted. Here is a bee orchid just coming into flower.

'Lockdown' in the beautiful Coln valley

Dear Coln Valley community,

We're currently living through very strange times but one thing is clear. We are blessed to be living in an extraordinarily beautiful part of the country. Which is why we would like to hear from you.

We'd love to hear what has inspired you during lockdown. Have you discovered a fabulous new walking trail? Have you discovered a 'must see'? Is there someone in your village that deserves a mention for being truly wonderful and helping out during these tough times? How has your community rallied round and what have you done?

We'd love to hear from you. We want to say a BIG thank you to key workers and anyone that's helped out. We'd like to see your pictures and hear your stories that bring out the best of this fabulous part of the world and how we have all managed to 'keep calm and carry on'.

We'd like to celebrate our community by sharing your stories in a special newsletter. **And let's hope we can come together again for a celebratory event in the village hall later this year.**

Please send your story (max 1000 characters) and up to three photos or a short video to **the email address used to send this to you**. Please indicate whether you would like your name included or prefer to remain anonymous.

BOOKING THE HALL

We are very sorry that the Hall cannot be booked now, owing to the Covid-19 situation. We will re-open bookings as soon as possible.
