LATEST NEWS

As we tentatively take steps to get some form of normality back into our lives, the CVH Committee have been hard at work preparing the hall and grounds to make sure they are both in top-top shape, adhering to all Government regulations

and ready for any future bookings.

This has included a full fire and safety systems inspection, an extensive review of our sewerage and treatment systems as well as extra cleaning throughout the hall. We do hope this provides you with every confidence that our hall is a safe, secure and ready to be used once against by one and all.
