Action: WJ to arrange signing of Declaration of Acceptance of Office forms with Angie Kaye & Harry Talbot Rice.

4. Discuss possibility of a Coln St Dennis Parish Council Sub-committee.

NTD explained the possibility that a Coln St Dennis Parish Council sub-committee could be created, and the role of the committee would be to look after parish assets. Once the filling in of the car parking space on Calcot Green was completed then refurbishment of the whole common could be one and other areas. One elected Councillor would need to be on the sub-committee, but residents would be able to join the committee, attend and vote at meetings on non-financial matters. Residents were encouraged to contact NTD or WJ if they would like to express their interest and know more.

5. Changes to Bank Mandate

Currently there are 4 councillors who are signatories on the Lloyds Bank account. NTD has filled in forms to add the Clerk (WJ) to the account and NTR will be removed as a signatory. Councillors agreed.

6. AOB

MC explained that he had noticed there has been cars travelling at speed through Fossebridge in the early hours of the morning. It was advised that he should contact our local Neighbourhood Watch contact to voice his concern, NTD will also do this.

NTR has asked if the sign post in Coln St Dennis at the bottom of the lane to Northleach was completely obscured by vegetation. It could be cleared so it was clear to see. NTD will do this.

The meeting ended at 6.54pm
