### **Telephone Boxes**

HTR reported that a painter for the Coln Rogers and Coln St Dennis telephone box has been sourced and work is to start very soon. A resident in Calcot has offered to paint the telephone box in Calcot.

### **20 is Plenty**

NTD reported that the Highways incentive of 20 is plenty is still in the planning stages and nothing more is known. HTR reported that he is concerned about signage around the Parish roads if this were to happen and on what roads this limit would be applied too. Resident Siobhan Paine told the Councillors that a survey had been carried out in Fossebridge and that they are keen for the 20 is Plenty to be applied to Fossebridge. Residents in the other villages in the Parish have not been asked for their thoughts on a 20mph speed limit.

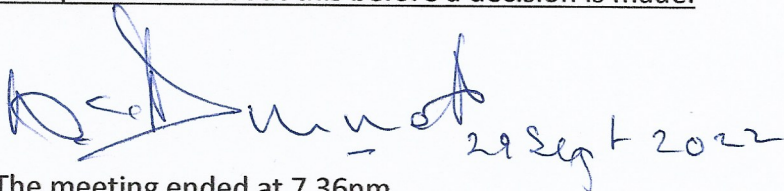

Action: NTD to send out a survey on speed limits on Parish roads to residents.

### **Camera & Defibrillators**

NTD reported that the camera on the tree on the road between Calcot and Coln St Dennis had disappeared, so he was unable to call the number to find out what it was there for.

NTD last meeting was actioned to find more out about Defibrillators. NTD has spoken to a resident in Chedworth and was told that none of the three installed there was paid for by the Parish Council. He was informed that the cost of them was approx. £1000 each with a £150 per year maintenance charge. The Councillors decided that this needed to be looked at further and perhaps if funding for the machines could be found then the Parish Council may be able to fund the maintenance charge each year.

Action: NTD will look at funding & suppliers and perhaps invite one to a future PC meeting to explain more about this before a decision is made.
