

PARKING at the Coln Valley Village Hall

There is only very limited parking at the Village Hall, and room for only 3 cars in the Hall's plot.

There is no car park.

But with care, up to c. **17 cars** can park in the locality, c. 13 on the wide **bridge** over the River Coln.

There is also room for at least **5 more cars** at the **Church**, just 10 minutes walk away.

Each one of the 17 spaces shown here is room enough for a large (6 metre) vehicle.
