Spring/Summer 2023

## Coln Valley Litter Pick March 18<sup>th</sup> 2023

We had another very good turnout with several new volunteers, and it didn't rain!

As in previous years every road in both Parishes was picked apart from the Fosse Way.

The trend in the amount of rubbish collected has been generally downward over the past few years but unfortunately this year's haul was unchanged from 2022 with 15 bags and sundries.

## Our TV "Drop-in" events

We will be showing the Coronation on a large television, mounted for viewing throughout the Hall:

**Coronation: May 6<sup>th</sup> from 10.30 onwards: see you there!**

We plan, after the Coronation, to have other informal and largely free of charge "drop in" times linked to major sporting or cultural TV-aired events.

Here is an indicative list:
